

# PowerShot 2200

**ENGINEERED FOR THE  
PROFESSIONAL TRADE**

Lightweight and compact - the PowerShot 2200 is preferred by the Pro Painting Contractors for effective and time-saving preparation of substrates for quality paint jobs. Ideal for contractors looking to extend their operations into pressure washing. The PowerShot 2200 is designed to meet the rigorous demands of the Cleaning Professional. This machine is small enough to be easily loaded and transported by one person.

---

“Portable, gasoline powered, direct-drive, cold water cleaning system for professionals”

---
