

PowerShot 3200

ENGINEERED FOR THE PROFESSIONAL TRADE

The PowerShot 3200 has been called the standard of the industry when it comes to powerful direct-drive pressure washers. The Industrial SIMPSON® Pump combined with the HONDA® GX270 engine delivers the power professionals look for with the durability they expect from these premier brands. The PowerShot 3200 features a robust 10 gauge steel frame and extruded aluminum handle clamping system for years of professional use. Paint preparation, professional cleaning services, graffiti removal, industrial jobsites, and fleet maintenance are some of the many applications for this machine.

“Portable, gasoline powered, direct-drive, cold water cleaning system for professional use”
